

Kenmore 81214 200 Series Bagged Canister Vacuum with HEPA Filter - Orange

QUICK BUYER GUIDE

Ideal for pet owners and allergy sufferers needing efficient cleaning on carpets, hard floors, and upholstery

At a Glance Specs

 **HEPA FILTER**
Traps 99.97% of allergens and dust

 **WEIGHT**
Less than 20 pounds for easy maneuvering

 **MOTOR SYSTEM**
Dual motors for strong suction power

 **ATTACHMENTS**
Three tools for dusting, crevices, and bare floors

 **CORD LENGTH**
24-foot retractable cord for wide reach

 **NOISE LEVEL**
78 decibels for moderate noise

Who It Is For

-  Users with pets needing dander removal
-  Allergy sufferers requiring air filtration
-  Those cleaning multiple floor types
-  Individuals prioritizing lightweight design
-  Users requiring corded electric operation
-  People with limited mobility needing adjustable height

Who It Is Not For

-  Cordless vacuum users
-  Those needing HEPA filter upgrades
-  Users with extremely noise-sensitive environments
-  People requiring more than three attachments
-  Individuals needing compact portable design

Trade Offs to Consider

-  Corded vs. cordless mobility trade-off
-  HEPA filtration vs. standard filter cost
-  Three attachments vs. modular tool systems
-  78dB noise vs. quieter alternatives
-  Lightweight design vs. battery life (non-applicable)
-  Bagged system vs. dustpan cleaning

How It Compares

- HEPA filter vs. non-HEPA models
- Corded operation vs. cordless convenience
- Three attachments vs. multi-tool systems
- 24ft cord vs. wireless range
- 78dB noise vs. quieter competitors
- Bagged system vs. cyclonic technology

Choose This If...

- ✓ Need HEPA filtration for allergies
- ✓ Prioritize lightweight cleaning
- ✓ Clean multiple floor types
- ✓ Require corded electric operation
- ✓ Value automatic cord rewind feature

Skip This If...

- × Want cordless mobility
- × Need more than three attachments
- × Sensitive to 78dB noise
- × Require compact portable design
- × Need HEPA filter upgrades
