

Oreck Commercial XL Bagged Upright Vacuum Cleaner

QUICK BUYER GUIDE

Ideal for commercial spaces needing powerful lightweight cleaning with automatic height adjustment

At a Glance Specs

 **POWER SOURCE**
Corded electric motor with 1.17 horsepower

 **WEIGHT**
9 pounds for easy maneuverability

 **FILTER SYSTEM**
HEPA bagged filter for allergen control

 **SUCTION POWER**
870 watts for deep carpet cleaning

 **HOSE LENGTH**
35 feet for extended reach

 **NOISE LEVEL**
80 decibels for moderate operational noise

Who It Is For

-  Commercial cleaners needing heavy-duty performance
-  Hotels requiring efficient carpet maintenance
-  Offices with high-traffic hard floor areas
-  Retail stores with large open spaces
-  Event venues needing quick clean-up
-  Healthcare facilities with allergen control needs

Who It Is Not For

-  Home users seeking residential-grade vacuums
-  Small spaces with limited mobility
-  Areas requiring cordless operation
-  Delicate surface environments

Trade Offs to Consider

-  No cordless option limits portability
-  Fixed speed lacks variable power settings
-  Requires regular bag changes
-  Heavier than some compact models
-  No smart connectivity features
-  Limited portability due to weight

How It Compares

- HEPA filter vs. non-filtration models
- Corded design vs. cordless mobility
- Lightweight vs. heavier industrial units
- Fixed speed vs. multi-speed controls
- Bagged system vs. bagless convenience
- 35-foot hose vs. shorter attachments

Choose This If...

- ✓ Need commercial cleaning power for carpets
- ✓ Prioritize lightweight design for maneuverability
- ✓ Require HEPA filtration for allergen control
- ✓ Value extended hose reach for large areas

Skip This If...

- × Want cordless operation for mobility
- × Need variable speed settings
- × Seek smart connectivity features
- × Prefer bagless convenience
