## Who It Is For

---

-  Pet owners with carpeted floors
-  Users needing lightweight design
-  Those requiring multiple cleaning tools
-  People with hardwood floor surfaces

## Who It Is Not For

---

-  Users needing 90-minute runtime
-  Those without wall-mount space
-  People with large open-plan homes
-  Individuals requiring 360° swivel head

## Trade Offs to Consider

---

-  Shorter battery life vs. lightweight design
-  Fewer attachments vs. HEPA filtration
-  Fixed brush roll vs. rotating brush head
-  Higher noise level vs. compact form factor

## How It Compares

---

- Better suction than basic cordless models
- Fewer attachments than premium vacuums
- Similar runtime to mid-tier competitors
- More filtration than entry-level options

## Choose This If...

---

- ✓ Need strong suction for pet hair
- ✓ Want HEPA filtration for allergies
- ✓ Require multiple attachments
- ✓ Prefers compact lightweight design

## Skip This If...

---

- × Need longer runtime than 60 minutes
- × Lack wall-mount space for charging
- × Require 360° swivel head
- × Prioritize ultra-quiet operation
