

Shark Cyclone PET Handheld Vacuum CH701

QUICK BUYER GUIDE

Pet owners needing lightweight cordless vacuum for quick pet hair removal

At a Glance Specs

WEIGHT

1.5 pounds lightweight design

BATTERY LIFE

10 minutes of continuous use

SUCTION POWER

HyperVelocity suction for deep cleaning

CHARGING

USB charging for portable use

FILTER

Washable foam filter for easy maintenance

DIMENSIONS

16.34"L x 3.5"W x 4.33"H

Who It Is For

-  Pet owners removing hair from furniture
-  Allergies sufferers needing dust-free cleaning
-  Users requiring portable vacuum for small spaces
-  Families with children needing quick cleanups

Who It Is Not For

-  Users needing 30+ minute battery life
-  Heavy-duty carpet cleaning tasks
-  Those without USB charging ports
-  Commercial cleaning operations

Trade Offs to Consider

-  Short battery life vs. lightweight design
-  High suction power vs. 80dB noise level
-  Cordless convenience vs. limited capacity
-  Washable filter vs. disposable alternatives

How It Compares

- Shorter battery life than corded models
- More suction than basic handhelds
- Lighter than similar cordless vacuums
- Washable filter vs. disposable filters

Choose This If...

- ✓ Need lightweight vacuum for pet hair
- ✓ Prioritize portability over battery life
- ✓ Want washable filter for maintenance
- ✓ Need compact tool for small spaces

Skip This If...

- × Require 30+ minute cleaning sessions
- × Need heavy-duty carpet cleaning
- × Looking for noise-reducing features
- × Want corded vacuum flexibility
